

Northbank

Demolition Company

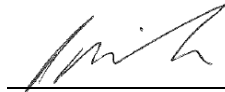

ENVIRONMENTAL POLICY STATEMENT

It is the policy of Northbank Demolition Company Ltd to protect the environment through sound practices that reduce waste generation and minimise risk to the environment.

To meet the objective of this policy:

- The Company will promote awareness to the workforce concerning their environmental responsibilities and ensure they participate in the prevention of accidents that may have an environmental impact.
- Fully comply with the law, current legislation and regulations and to take a proactive approach to future legal requirements and obligations.
- Ensure that everybody within the Company has a duty of care for the environment, its habitats and biodiversity.
- Maintain plant and machinery to the highest standard to ensure a minimal risk to the environment.
- Measure performance and set objectives that will be regularly revisited, monitored and measured.
- Gain support from our customers and the public to ensure that they are made aware of our environmental policy.
- Work with our suppliers and contractors to ensure that they are made aware of our policy and that they have compatible policies for managing their impact on the environment or that they will adhere to ours.
- Regularly conduct reviews to ensure the Company operations remain compliant with this policy and to set or revise targets to ensure continual improvement of the environmental management system.
- To review environmental procedures to ensure that standards are being met.
